

A group of seven women of various ages and ethnicities are posing together at a fashion event. They are all dressed in elegant, light-colored clothing, including white blazers, a black sequined dress, and a white ruffled top. The women are smiling and looking towards the camera. The background is dark, making the subjects stand out.

SPRING 2025 READY-TO-WEAR

Brand Extension

These viral Isabel Marant wedge sneakers have been everywhere recently, and is what inspired my design. My design takes components from the bohemian footwear in the recent Spring 2025 RTW show. This whole show was filled with elements of nuboheme, which is a mix of western and bohemian aesthetics. I combined this classic heeled wedge shape with a gold metallic strappy sandal to extend on these nuboheme themes.
